Cross Country Course

Opened in early 2009, the Field Farm cross country course promises to be a challenging, exhilarating and most of all **FUN**, experience for horses and riders of all abilities.

The emphasis of our course is safety, with fences that are designed to inspire confidence in both horse and rider.

Our course covers a total of 1.2 miles and has fences set at beginner (50cm), novice (70cm), and intermediate (90cm), height options

Fences range from confidence building logs and parallels through to more challenging coffins, benches, combinations and table tops

There is also a large water jump complex and we are currently constructing a Normandy ban

Our course can be booked on a "pay and play" basis by the hour (£10.00), or full day (£25.00) on a per horse and rider basis.
