Rules

It is mandatory for all competitors to wear a protective helmet at all times when mounted with the chin straps fastened. It must bear the CE mark and a quality symbol, either the BSI Kitemark, the SAI Global symbol or the official Snell label with number. The CE symbol on its own is not sufficient to ensure consistent standards of manufacture. The PAS 015:1998 and the Snell E2001 meet higher impact criteria and therefore give more protection.

Body protectors, long sleeves and medical armbands must be worn for the cross country classes.

The organisers reserve the right to disqualify anyone for misuse of whip or spurs, dangerous riding or any horse in poor or lame condition.

Stopwatches are not allowed in any class.

Horses/Ponies should not be left unattended outside at any time.

The organisers reserve the right to limit or refuse any entry, if deemed necessary, without giving any reason

HORSE RIDING IS A RISK SPORT. The organisers accept no responsibility for any injury, loss or damage whatsoever whilst at Field Farm

Correct dress to be worn for each class

Spurs and whips are permitted in all classes except games, horse & hound and chase me Charlie

The judge's decision is final

Dogs must be kept on a lead and under control at all times. You **MUST** clean up after your dog

Litter, incl horse droppings, shavings, hay and straw etc must be cleared away from the parking area before you leave the grounds

LEGAL LIABILITY Save for death or personal injury caused by the negligence of the organisers, or anyone for whom they are in law responsible, neither the organisers of this Event, nor any agent, employee or representative of these bodies, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, cars their contents and accessories, or any other person or property whatsoever, whether caused by their negligence, breach of contract or in any other way whatsoever.

HEALTH AND SAFETY. The organiser of this Event has taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organiser and all officials and stewards.

Cross Country Course

Opened in early 2009, the Field Farm cross country course promises to be a challenging, exhilarating and most of all **FUN**, experience for horses and riders of all abilities.

The emphasis of our course is safety, with fences that are designed to inspire confidence in both horse and rider.

Our course covers a total of 1.2 miles and has fences set at beginner (50cm), novice (70cm), and intermediate (90cm), height options

Fences range from confidence building logs and parallels through to more challenging coffins, benches, combinations and table tops

There is also a large water jump complex and we are currently constructing a Normandy bank

Our course can be booked on a "pay and play" basis by the hour (£10.00), or full day (£25.00) on a per horse and rider basis.
