

# bring your horse on holiday

Almost all horse owners dream of cantering down a sandy beach. Wind in your hair, faint taste of salt spray, freedom to ride safely, no cars, no traffic... What a buzz....

...Field Farm can help bring that dream true

## Field farm benefits perfectly from its coastal location.

Mumby sits between Chapel St Leonards and Anderby Creek, approx 9 miles North of Skegness, on the East Coast of Lincolnshire.

The beauty of our location is that there's no re-boxing or transport required to get to the beach. Our nearest beach is less than a mile away, at the end of a green lane, which starts at the top of our drive.

*Wake up, breakfast, tack up and away you go!*

Field Farm has been designed to ensure you get the very best from your time here, from only £25.00 / horse / day you have access to superb stabling, indoor and outdoor sand schools, jumping paddock, 1.2mile cross country course, incredible off road hacking and of course the beach!

And whilst your horse chills out in his or her stable there are numerous options for overnight accommodation for you.

## Accommodation options include:

- Tent, Caravan or overnight in your horse lorry
- 4-6 and 6-8 person holiday homes
- Local B&B's

For full details and rates please contact us by phone or email

# not just equestrian

'...Perhaps your passion for all things equestrian is not as intense as your loved ones!'

Here at Field Farm we have alternatives...

## Fishing lake

2 acres with 19 pegs and stoked with Roach, Rudd, Bream, Tench and Carp to 25lbs plus.

## Walking

Literally hundreds of miles of walks through leafy lanes and picturesque villages.

## Mountain biking

As with walking only faster.

## Pets Allowed

We welcome well behaved pets.

# how to get here

## DIRECTIONS

**From the A52 heading North from Skegness** - as you leave Hothorpe turn right onto Thames St. and then left onto Langham Road. Ember Ln is the first lane on the right. Field Farm is the 2nd farm on the left. There is a large Field Farm sign at the end of Ember Ln.

**From the A52 heading South from Mablethorpe** - as you leave Mumby turn left onto Langham Rd. just after the Inglenook caravan park. Ember Ln is the 2nd lane on the right. Field Farm is the 2nd farm on the left. There is a large Field Farm sign at the end of Ember Ln.

# cross country course

Opened in early 2009, the Field Farm cross country course is both challenging and exhilarating but most of all FUN experience for horses and riders of all abilities.

The emphasis of our course is safety, with fences that are designed to inspire confidence in both horse and rider.

Approved and certified by UK Chasers, our course covers almost 2 miles and has fences with options at three heights, beginner (500mm), novice (700mm) and intermediate (900mm).

There is a huge range of fences, all carefully designed to build confidence and increase the experience of horse and rider.

Competition courses can be adapted and added to with portable jumps which allow numerous course variations.

We have almost every type and style of jump from logs and parallels through to coffins, benches, combinations and table tops.

There is also a large water jump complex with multiple entry and exit options including gently sloping ramps to help school young or inexperienced horses.

The course can be booked for exclusive riding club event days or by the hour on a pay and play basis.

For full details please contact us directly or visit [www.field-farm.net](http://www.field-farm.net) and view our interactive course map.

# livery yard

Approved and inspected by the British Horse Society we offer a full range of livery services from DIY through to full livery.

All livery packages include full recreational use of all of the equestrian facilities detailed.

Prices start from an incredible £30 per week, depending on the service level required, but in all cases we believe we offer top quality facilities and care for the lowest possible price.

But don't just take our word for it, why not contact us by telephone or email and arrange a tour of our livery facilities?
